Comment on FR Doc # 2015-08831

Submitter Information

Name: Bill Randall

General Comment

I have taken the time to learn about how to conservatively invest in options trading. I have traded put options for many years and it has grown my retirement account. Some option trades reduce risk, rather than increase it. Please do not forbid options trading in IRA accounts as it has positively influenced my ability to retire and afford a decent retirement. The US government does not understand what they are proposing.
